

Where Dream Weddings Happen

Get discovered,  
booked and fully **paid**  
by couples who truly  
value your work.

#### ✗ Why It's So Hard to Find the Right Clients:

- Not getting paid even after delivering albums.
- Last-minute cancellations.
- Getting told your prices are too high.
- Ghosted messages.
- Unappreciated work.
- Wasted quote efforts.
- No platform to manage your studio.

#### 🏆 That's Why We're Building This:

A curated platform built just for wedding photographers-where you can showcase your work, set your own prices and get booked by couples who respect your time and talent. No pricing fights. No payment delays. Just on-time, full payments from clients who know your work is worth it.

#### ♥ Why You'll Love Us:

Full and timely payments

Only verified couples

Set your own pricing & packages

Showcase the beauty and diversity of your work

Built by a team who know this industry

Join the waitlist

Be the first to access India's only platform where photographers get booked-at their price, paid in full.
